Professional Summary

I am a motivated fresher with hands-on experience in Python, backend development, and building real-world projects. I enjoy solving problems and creating applications that are efficient and scalable. I have also worked on an AI-based project and am currently improving my skills in Artificial Intelligence. I am seeking an entry-level role where I can apply my knowledge and continue learning.

Education

Master of Computer Applications (MCA) Jaipur Engineering College and Research Centre, Jaipur	2024 – 2026 Percentage: 84%
Bachelor of Computer Applications (BCA) Government Engineering College, Bikaner	2021 – 2024 Percentage: 75%

Projects

TitanAx labs – AI code generator Tech Stack: React.js, Node.js, Express.js, MongoDB - Developed an AI-based application to generate frontend, backend, and database code. - Designed backend logic for handling AI prompts and generating structured outputs. - Built and integrated REST APIs for smooth communication between frontend and backend. - Focused on automation and scalable architecture.	May – Jun 2025
AdoptNest – Pet Adoption & Rescue Platform Tech Stack: React.js, Node.js, Express.js, MongoDB - Built a full-stack web application with authentication and secure workflows. - Developed backend APIs and handled data management efficiently. - Implemented validation and role-based access control.	Oct – Nov 2025

Skills

Programming Languages: Python, JavaScript
Frameworks & Technologies: Node.js, Express.js, React.js, REST APIs
AI & Data Skills: Basic Machine Learning, AI Application Development, Prompt Engineering, Data Handling
Databases: MongoDB, PostgreSQL
Tools & Platforms: Git, GitHub, Linux, Vercel, Render, Netlify, AI Powered-IDEs
Core Concepts: Data Structures (Basic), OOP, API Development, Backend Development
Soft Skills: Problem-solving, Team collaboration, Communication, Attention to detail, Continuous learning

Certifications

Google Crash Course on Python	Coursera 2025
Certified Ethical Hacker – Master (CEH Master)	EC-Council 2025
Certified Ethical Hacker (CEH)	EC-Council 2025
Certified Network Defender (CND)	EC-Council 2024
